InterimPrimeMinister at Whitehouse DésiréeElisabethStokkel demands

- the removal of 5g from Earth.
- The removal of DARPA HAARP installation from Earth.
- Announcement that FBI Director WRAY wants the Win all Lawsuits procedure By www.rechtenpit.nl

FBI Director C. Wray wants www.rechtenpit.nl

I demand that Whitehouse announce publicly that FBI Director C.Wray wants to stop the International Criminal Court corruption.

**Er is een Internationaal Strafhof rechtszaak tegen FBI Directeur Christopher Wray.
Voor Bouwen van DictatuurNL / VN-genocide.
Lijkt er op dat hij daar nu Spijt van heeft.**

**Hij Erkent Win alle Rechtszaken procedure www.rechtenpit.nl
Maar, hij heeft nog geen formele brief geschreven.**

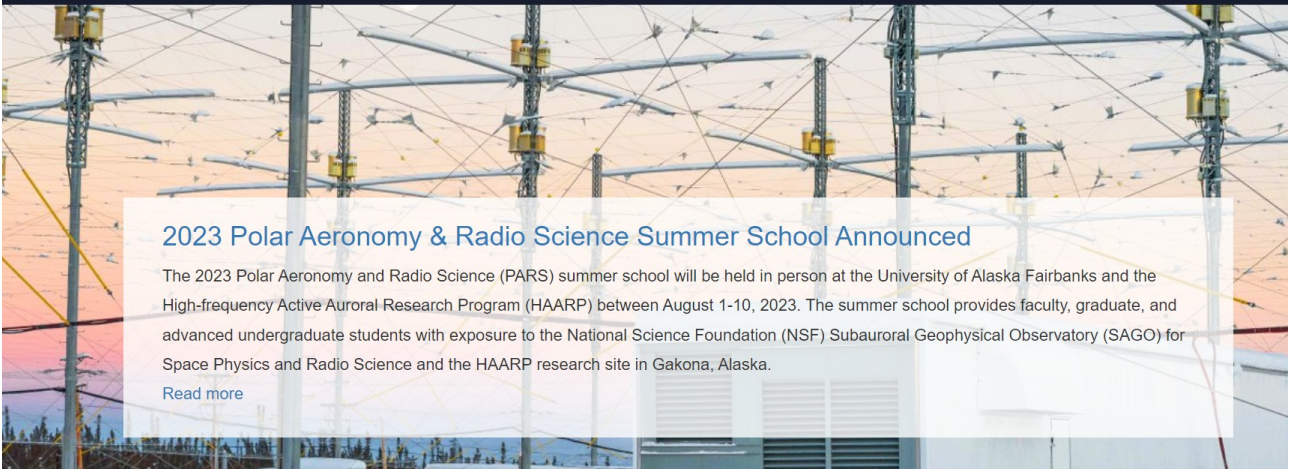

I – InterimPrimeMinister At the Whitehouse – demand that 5G and HAARP are being removed from Planet Earth in Space.

It are both Military Weapons that Destroy the Human body and will Split Planet Earth into 2 parts.

God / Spaceforces showed me that HAARP will break Planet Earth into parts
= we all die.

5G caused the bloodcells to lose the skill to absorb oxigen = we all die.

<https://haarp.gi.alaska.edu/>

**Corruption at International Criminal Court,
makes all Military weapons on Earth in Space a 100% worthless.**

We stop this madness.

Désirée Elisabeth Stokkel , iMinPres Whitehouse / FBI / RepublicNL.

DonaldTrump from 25september2017 on, I am the
InterimPrimeMinister for the United States of America.

There is an International Criminal Court lawcase against you – and UNSG Antonioguterres – since 2 june2017, for the fact that you support Dictatorship NL and ICC-personnel quilty of torture – murder on victums who start ICC-lawcases.

My Instructions for USA DonaldTrump:

1. Call for new elections for President in the USA. You must leave the Whitehouse-office and disappear from politics.
2. You pay me 1 million euro as a Settlement & Payment for the damage you cause me, to be paid from your private bankaccount.
3. From 25september2017 on all sanctions between USA – Cuba are lifted.
4. All Americans may restart trade with Cuba.
5. Take the Constitution Republic NL: accept it as it is.. and write an additional Chapter for the USA to the new NL-Constitution.
6. Organize a Referendum for the USA-people about the new Constitution for the USA, and implement & conduct it when 51% of all voters are in favour of this new Constitution for the USA.
7. Together with CNBC, The Profit – MarcusLemonis – I am going to rehabilitate the Trade-world in Cuba. Small business + my Mass-communication skills for Justice for All of Us.
8. I want... I want... I want.... Former -FBI-directeur James Comey to be rehabilitated and be assigned to me – InterimPrimeMinister, DésiréeElisabethStokkel – for the building of national security between Republic NL – USA – CUBA. [I miss you James Comey.](#)

Cuba

We need a new flag.

Give schools – children from 0 to 18 years old – the assignment to develop a new Flag for the Cuba-lander. Cuba as island for Holland. Fairtrade & eco -proof.

The financial reality is, that I still don't have my labourcontract InterimPrimeMinister, from 18nov2016 on. 178.000 euro per year income, before tax.

One day, I will have all the money I am entitled too on my bankaccount.

The school that wins the Flag-contest for the Cuba-lander Fairtrade-economy, will receive **5000 euro from my private bankaccount** – for all the children on the school –.

The school gives each child 25 euro ...for personal joy... at home.

The rest of the money is for the school and must be invested in the Fairtrade-movement.

Of course, I will keep an eye on spending this 5000 euro budget, together with CNBC.

ACLU, make sure the Whitehouse designs a Human being worthy Constitution for the USA, 100% Fairtrade & eco... and UN-fraude-proof.

Cuba,

As your InterimPrimeMinister – DésiréeElisabethStokkel for Holland – I offer the island Cuba to become the State of law Republic Netherlands.

Obligations for the people of Cuba:

1. The people of Cuba must live & work on Cuba.
They will get a NL-ID-card. Not a full NL- passport.
2. The people of Cuba may not move the Republic Netherlands for a period of 10 years.
3. The synchronization of the Cuba-economy with the Republic-NL- economy will start from 1january2020 on. In Holland, we first need to cut away about 30% of our redundant bureaucracy = money pit.
4. The synchronization of the Cuba-economy with the Republic-NL-economy must be completed on 1january2025. Holland needs time to make 2 economies profitable, next to eachother.

The people of Cuba vote in favour of becoming a residence for Republic Netherlands on the island Cuba, by Referendum.
Cuba will become Republic Netherlands... from the day the Electoral Council of Cuba makes the Referendum-results officially public.

51% of the adult population of Cuba – from the age of 18 years old – must vote in favour for a live as Dutch inhabitant of Republic Netherlands on the island Cuba.

Cuba wants to be a Dutch island:

I don't know if I – InterimPrimeMinister for Holland – still will be IPM on the day the Electoral Council of Cuba makes the Referendum-result officially public.

If I am not, we have completed the Election for the Elected PrimeMinister in Netherlands and I will have appointed the PrimeMinister for Republic NL is his or her labourcontract.
There will always be a PrimeMinister who is prepared to sign the official document with which Cuba turns into an island for Republic Netherlands.

I am looking forward to your Cuba-NL-Referendum.
